

Part III Project Notebook

Thomas Holland (th675)

October 2025 - 2026

Contents

1	Introduction	1
2	Literature log	1
3	Code progress log	1
3.1	2025-10-10 22:20	1
4	Thoughts log	1
4.1	2025-10-10 22:01	1

1 Introduction

2 Literature log

3 Code progress log

3.1 2025-10-10 22:20

I have set up my code environment and am happy that the package management is working well.

4 Thoughts log

4.1 2025-10-10 22:01

To what extent can the noise/artifacts that were filtered out by @coulson2022 be build into the output to see what the “real world” observable would be?
